HOW TO APPLY FOR REIMBURSEMENT:

First, an employee will visit any dentist or orthodontist and pay for treatment. Next, the employee will obtain a claim form for reimbursement from the Bay City News business office, attach the dentist's invoice and send or deliver the claim to the Plan Administrator.

The Plan Administrator will determine whether all or any portion of the claim is reimbursable and will pay any reimbursable amounts within two weeks of the date of the request for reimbursement.

If reimbursement is denied, the Plan Administrator will provide written notice of denial. An employee who disagrees with this decision must, within 15 days, give the Plan Administrator written notice of the reasons why they believe the decision may be incorrect, and the Plan Administrator will again review the application for reimbursement and mail a final written decision to the employee.

The last day to apply for reimbursement is 30 days from the last day of the calendar year in which the dental expense was incurred.

Employees forfeit dental benefits upon termination of employment.
