**Section 2**      The Guild agrees that it will admit to and retain in membership any such employee subject to the provisions of the Constitution of The Newspaper Guild/CWA and the by-laws of the Pacific Media Workers Guild/CWA.

**Section 3**      The employer shall, in compliance with all applicable law, deduct from the paycheck of each employee in the first pay period for the month, and shall pay to the Guild not later than the tenth (10<sup>th</sup>) day following such deduction, all dues levied by the Guild for the current month.

**Section 7** Employees shall not be required to cross bona fide picket lines.

### ARTICLE III SECURITY

**Section 4** Each employee with one full year of service or more shall be placed on the rehire list for six (6) months per each complete year of service, up to a maximum of three (3) years on the rehire list.

Said employee shall be notified by the Employer of openings covered by this Agreement. No opening shall be filled from other than the rehire list unless employees on the rehire list do not have the qualifications to perform the work. Time spent on a rehire list by laid-off employees shall not constitute a break in continuity of service and seniority, nor shall time on such a list be counted as service time.

**Section 5** Employees electing severance payments shall no longer be maintained on the rehire list.

## **ARTICLE VI GRIEVANCE PROCEDURE**

**Section 1** The Guild shall designate a committee of its own choosing to take up with the Employer any matter concerning relations between the employees and Employer, including issues arising from the application or interpretation of this agreement. Grievances shall be in good faith, be filed within ten (10) days of the date that a person should have reasonably become aware of the grievance. Failure to comply with this section shall render the issue null and void.

**Section 2** The Employer agrees to meet with the committee within five days after a request for a meeting to discuss any grievance, except that the five-day period may be extended by mutual agreement. The Employer shall respond in writing within 30 days of the initial meeting. Failure to do so shall affirm on behalf of the Guild without prejudice to the Employer. Efforts to adjust grievances shall be made whenever possible during the normal workday and workweek.

**Section 3** Any matter involving the interpretation, application, administration or alleged violation of this agreement (except renewal of this Agreement), including a question of whether a matter is arbitrable, not satisfactorily settled within 30 days of its first consideration may be submitted for final and binding arbitration by either party within 30 days. **Section 5** Costs of arbitration shall be borne equally by the parties, except that no party shall be obligated to pay any part of the cost of a stenographic transcript without express consent. Refusal to share the cost of the transcript shall be deemed a waiver of the party's right to access to the transcript, however.

**Section 6** Arbitrations shall be conducted in accordance with the voluntary labor arbitration rules of the American Arbitration Association, except as may be mutually agreed to otherwise.

## **ARTICLE VII CLASSIFICATIONS, SALARIES AND ALLOWANCES**

**Section 1** Classifications shall be determined by the Employer except that a current classification shall not be eliminated or modified as a subterfuge for the discharge or demotion of an employee.

- a. The minimum monthly salary effective November 1, 2011 shall be \$7,076.68. During the life of the Agreement no salary shall be reduced regardless of classification, reorganization or classification reassignment.

**Section 2** Effective May 1<sup>st</sup> of each year, all employees covered by this Agreement shall receive a salary increase equal to the average of the increase in percentage terms in the base rate of pay in the ILWU's three major contracts—Longshore, Northern California Warehouse, and

Local 142's major hotel agreements (tourism). The minimum monthly salary provided for in Section 1 of this Article shall be increased each May 1<sup>st</sup> by an amount equal to the increase provided for in this Section.

The top staff salary will be capped at \$4,000 less than the salary of the International Vice President. "Salary" will mean base salary plus car allowance and expense allowance, and will not include Administrative Assistant's stipend.

For the first two instances in which the top salary is capped, when the staff salary increase is computed, the total increases due the Unit will include any due the staff person whose salary is capped. Their scheduled increase shall be returned to the "pie" and shall make up an "overage" which shall be distributed equally between the two lowest paid non-probationary staff members, and is not to produce a "leapfrogging effect" whereby one staff member's salary surpasses another's as the result of this distribution.

For all subsequent instances in which the top salary is capped the following formula will be used:

1. For each employee subtract his/her salary from the capped salary.
2. Add difference from #1 above.
3. For each employee, divide his/her salary difference from the capped individual (calculated in #1 above) by the sum of the differences calculated in #2 above.
4. For each individual, multiply the overage to be distributed by the ratio determined in #3 above.
5. The result is the salary increase due the individual from the overage.

**Section 3** If an employee is appointed Administrative Assistant to the International President or Titled Officers and the employee accepts such appointment, said employee shall receive, in addition to his or her salary, a stipend of not less than \$200.00 per month.

**Section 4** New Hires (off the street). The employer must pay the new hire the following minimum rate of pay based on work experience in the job. However, the employer may recognize the individual's work experience and pay the individual more than the following minimum rate of pay up to 100% of the contractual rate of pay. Each step shall be paid no later than the annual anniversary of the previous step. Individuals may, at any time, request that the following schedule be accelerated. If the employer denies the request, the employer shall provide an explanation.

Hire-in rate of pay	=	75% of contractual rate
Step 1	=	80% of contractual rate
Step 2	=	85% of contractual rate
Step 3	=	90% of contractual rate
Step 4	=	95% of contractual rate
Step 5	=	100% of contractual rate

**Section 5** Transfers/Promotions. Individuals who are transferred or promoted to a new job shall receive a minimum rate of pay equal to their previous rate of pay plus fifty percent (50%) of the difference between their old rate of pay and the contract rate for the new job rounded up to the nearest step as per the above schedule. Increases shall be provided no less frequently than as per the above schedule.

## ARTICLE VIII VACATIONS

**Section 1** Vacations with pay shall be granted employees who have completed periods of continuous service with the Employer, as follows: after six (6) months, one (1) week; after one (1) year, two (2) weeks; after three (3) years, three (3) weeks; after five (5) years, three (3) weeks plus two (2) days; after seven (7) years, three (3) weeks plus three (3) days; after ten (10) years, four (4) weeks; after fourteen (14) years, four (4) weeks plus two (2) days; after seventeen (17) years, four (4) weeks plus three (3) days; after twenty (20) years, five (5) weeks; and after twenty-five (25) years, six (6) weeks.

An employee shall have the right to carry over reasonable amounts of vacation to subsequent years as per existing Employer Staff Policy. Vacation may be cashed out in accordance with the following:

- a. There shall be no cash out of banked vacation.
- b. Up to one half of the employee's current year accrued vacation may be cashed out.

**Section 3** All accrued pro rata vacation time shall be paid to employees taking maternity or paternity leave or other leaves of absence up to the time of the granting of the leave of absence or upon termination of employment.

**Section 4** Requests for vacation shall not be unreasonably denied.

**Section 5** Employers termination of an employee, said employee shall be paid all accrued vacation. For the year in which the employee terminated, vacation shall be pro rated for a partial year of service.

**Section 3** The employer shall provide health plan arrangements under the ILWU-PMA Welfare Plan. The parties have agreed to forego collective bargaining for employees and retirees on the subject of medical, dental, prescription, drug, vision care, chiropractic, alcohol and drug recovery program, hearing aid and death benefits and instead accept those benefits and provisions negotiated by the ILWU and PMA. Any future discussions on such matters will be subject to this understanding..

Retirees: To be eligible for this plan, a retired employee whose date of hire is on or after November 1, 1990, must have thirteen (13) consecutive years of contributory service under this Agreement or working for an employer signatory to this Agreement ending with the date of Normal, Disability, Early or Postponed Retirement, unless otherwise specified in the provisions of the ILWU-PMA Welfare Plan, as amended.

## **ARTICLE XII LEAVES OF ABSENCE**

**Section 1** Upon request the Employer shall grant employees leaves of absence for good and sufficient cause. Such leaves shall not be considered as service time in the actual rights and benefits under this Agreement, but shall not cancel previous service in determining total service with the Employer for any reason.

**Section 2** In the event an employee is elected or appointed to any office or position in the Pacific Media Workers Guild, or a local of the Newspaper Guild/CWA, this shall be considered good and sufficient cause for a leave of absence.

**Section 3** Employees inducted into the national service of the United States including the Armed Forces, the Peace Corps and Vista, or recalled to active duty with the Armed Services,

shall accumulate seniority and retain all other rights under this Agreement while in such service, and on return from such service may claim their original job, or if that job is no longer in effect, a comparable job with a salary no less than what they would have received had their service with their Employer been continuous, provided that they apply for reinstatement within 90 days after release from the national service.

Any employee with one or more years of service may, upon the birth of a child or in the case of a sick immediate family member, take leave not to exceed six months, without pay, and without loss of seniority. An employee choosing to take such leave must so notify the Employer in writing before the end of four weeks following the birth of the employee's baby or as soon as possible in the case of a sick immediate family member. Employees who comply with this provision shall be guaranteed the return to the job held at the time of the leave of absence. Maternity/paternity leave shall be granted for adoptive parents. Employees may choose to take such leave in the form of a reduced schedule, provided however that such reduced schedule shall not exceed the fulltime equivalent leave. **Section 5** Each employee shall receive sufficient time off without reduction in pay to vote in national, state and/or local elections.

**Section 6** Necessary compassionate leave with pay shall be provided to employees in the event of the death of family members.
