In lieu of reimbursement for business use of personal cell phone or internet data plan, for employees designated by the Editor as being required to be available by cell phone or to have an internet data plan for their cell phone, the Company shall either pay \$45.00 per month for cell phone and \$15.00 per month for internet data plan, or provide employees with a Company owned cell phone.

ARTICLE XXIII INTERNET

Section 23.1. The Company shall have the sole and exclusive right at any time to establish, abolish, or alter the practices or customs of personal use of the Company's email and personal use

of the internet by employees while at work and to limit or restrict such practices or customs as the Company may determine.

Section 23.2. An employee shall obtain prior permission from the Company to operate or post to a Web site or blog or to create a blog or to blog or otherwise use the internet when it identifies the employee as associated with the Company and reveals the employee's personal opinions on newsworthy issues or if the employee is so well known in the community to be associated with the Company. Employees shall comply with the BANG-East Bay email, information use and confidentiality of data policy.

ARTICLE XXIV NOTICE

Section 24.1. Whenever notice is to be given under the terms of this Agreement to either party hereto, it shall in all cases, except where some other method is specifically prescribed herein, be sent by "Certified Mail, Return Receipt Requested," to the following addresses with respect to the Company and the Guild:

Company: Publisher
Bay Area News Group-East Bay
175 Lennon Lane, Suite 100
Walnut Creek, CA 94598

Guild: Executive Officer
Pacific Media Workers Guild
433 Natoma Street, 2nd Floor
San Francisco, CA 94103

Section 24.2. When notice is given as prescribed in the foregoing paragraph, the notice shall be deemed to have been given on the day that it is mailed.

Section 24.3. Each employee covered by this Agreement shall be responsible at all times for having his or her correct address on file with the Company. Each employee shall, within two (2) weeks after the effective date of this Agreement, furnish to the Company in writing his or her complete address and telephone number, and shall within one (1) week of any subsequent change in either his or her address or telephone number inform the Company in writing of the change. The foregoing information in writing, including both the original information and all subsequent changes therein, shall be delivered in person to each employee's manager or sent by first class mail to the Company. If mailed, the notice shall be deemed to have been given on the date that it was postmarked.

Section 24.4. All notices to employees to be given by the Company under this Agreement shall, except where some other method is specifically prescribed herein, be deemed to have been properly given if the employee is notified in person, either orally or in writing, or if notice is mailed to the employee's last address on file with the Company or is given by telephone to the employee's last telephone number on file with the Company. If mailed, the notice shall be deemed to have been given on the day that it is mailed. In addition to the foregoing methods of giving notice to employees, the posting of written notice on the Company bulletin board, stationary or electronic, shall constitute proper notice in all cases, provided that the employee or employees concerned were

present at work in the plant during some part of the time between the posting of the bulletin board notice and the commencement of the event being announced by the notice.

Section 24.5. When an employee gives notice of resignation to the Company, said notice shall be deemed to have been properly given when the employee informs his or her manager of the resignation in writing, excepting instances when the employee declines to give such written notice, in which cases notice will be deemed proper when the employee informs his or her manager verbally. Written notice may be sent via first class mail, or delivered in person to the manager. If mailed, the notice of resignation shall be deemed to have been given on the date that it was postmarked.

ARTICLE XXV HEALTH AND SAFETY

Section 25.1. The Company shall ensure that Company premises are in accordance with federal and state health and safety laws.

Section 25.2. The Company will abide by federal and state laws regarding hazard communications and an employee's right to refuse hazardous or life-threatening assignments and will not retaliate against employees who exercise this right.

ARTICLE XXVI HOLIDAYS

Section 26.1. The Company shall provide employees with the following paid holidays:

1. New Year's Day
2. Martin Luther King Day or Presidents Day (See Section 26.4)
3. Memorial Day
4. Independence Day
5. Labor Day
6. Thanksgiving Day
7. Christmas Day
8. Birthday Holiday

Section 26.2. Full-time employees shall be paid their regular straight time rate of pay for eight hours on a recognized holiday.

Section 26.3. Full-time employees who work a full shift on a recognized holiday shall be paid one and one-half their regular straight time rate of pay for hours actually worked on the holiday, plus the regular holiday pay for the day. For holiday pay purposes, the day worked will be the one on which the shift begins. An employee shall not be entitled to any benefits under this Article for

a particular holiday unless the employee works the last regularly scheduled shift before the holiday and the first regularly scheduled shift after the holiday.

At the sole discretion of the Company, on occasion a holiday benefit is nonetheless paid even though there has been a failure to work as stated above. The Company has on occasion exercised such discretion by reviewing a number of interconnecting elements such as regular attendance, attendance before and after a weekend on other scheduled days off, easy verification of a legitimate reason for a failure to work the above stated last scheduled shift or shifts, and other similar considerations.

Section 26.4. With respect to the employee's choice to take either Martin Luther King Day or Presidents Day, employees by seniority will designate by no later than December 1st of the preceding calendar year which of the two days each individual employee prefers. Nonetheless, the Company's needs will be the overriding consideration despite a day an employee has selected.

Section 26.5. The holiday pay premium set forth in section 26.3 shall only apply to the shifts worked on the actual holiday, if different than the observed holiday.

ARTICLE XXVII CONFLICTS WITH LAW

Section 27.1. In the event any federal or state law conflicts with any provision of this Agreement, the provision or provisions so affected shall no longer be operative or binding upon the parties, but the remaining portion of the Agreement shall continue in full force and effect.

ARTICLE XXVIII LEAVES OF ABSENCE

Section 28.1. The Company can in its sole discretion grant an employee request for a leave of absence without pay for personal reasons. The granting of a leave of absence in one case shall not constitute a precedent binding upon the Company in any other case.

Section 28.2. Applications for leave of absence without pay shall be in writing and shall set forth the specific reason for and the exact length of the leave requested.

Section 28.3. Leaves of absence shall be limited to a maximum of three (3) months, except where military service is the reason. The Company may grant an extension of leave for good cause.

Section 28.4. An employee desiring to return to work before the termination of his or her leave of absence shall give the Company at least seven (7) days' notice in writing of his or her intention to return to work. Other than as mandated by state or federal law, leaves of absence shall not guarantee or constitute a promise that the employee will return to his or her prior assignment or location at the end of the leave.

Section 28.5. An employee failing to report to work at the end of his or her leave will be considered to have resigned voluntarily, and his or her employment shall terminate automatically unless excused by the Company.

Section 28.6. Limiting to only one employee at any one time, in the event an employee is elected or appointed to any Guild office, or office of a local of the Guild, such employee shall be

given an unpaid leave of absence should the employee request such leave, and the employee shall be reinstated in a comparable or same position upon expiration of such leave if such position is available and the employee is qualified and able to fill. Employees who are on such a leave of absence for Guild work shall not continue to accrue vacation time and other benefits during such leave. Short-term unpaid Guild assignments (convention delegate, bargaining or subcommittee service) shall be granted with adequate notice and no loss in benefit accrual, per current practice.

Section 28.7. Although time off requested by an employee due to a death in his or her immediate family (including but not limited to a spouse, domestic partner, children and parents) is not considered to be a leave of absence, such requested time off will be granted and paid under the same terms, conditions and limitations extended to non-represented employees. Unpaid time off to attend a funeral or memorial service of a person not a member of an employee's immediate family may be granted at the discretion of the supervisor.

ARTICLE XXIX OUTSOURCING/ SUBCONTRACTING

Section 29.1. The Company retains the right to subcontract work.

Section 29.2. The Company will notify the Guild of an initial decision to subcontract and/or otherwise outsource any bargaining unit work in advance of taking such action if, as an immediate consequence, a full-time staffer may be immediately (within thirty days) released from employment. The intent of such notification is to provide the Guild with the opportunity to request the Company to engage in non-binding discussions regarding alternatives acceptable to both parties. Such discussions shall not cause any delay not acceptable to the Company of its implementation of such action to subcontract or outsource bargaining unit work.

Section 29.3. The subcontracting and/or outsourcing of work shall include but in no manner or degree be limited to and/or restricted to the sharing of content and services with other newspapers and media, the content provided by "citizen journalists," content provided through "blogs" and reader comments/opinions, the content and services purchased through outside services, syndicates and independent providers and any content contributed by non-partisan community interest/action groups.

Section 29.4. In the event the Company wishes to exercise its right(s) to outsource and/or subcontract any work being performed by employees and if such anticipated action(s) may reasonably result in a layoff of employees, the Company shall notify the Guild within two weeks of anticipated action and bargain about the effects on employees to be laid off. Failure to reach an agreement within two weeks shall not delay the Company's action.

ARTICLE XXX NO DISCRIMINATION

Section 30.1. The parties agree to adhere to the principles of equal employment opportunity and to cooperate with each other in complying with all applicable federal, state and local laws and

regulations relating to equal employment opportunity. The parties agree there shall be no discrimination against any employee based on race, color, religion, creed, national origin, political affiliation, gender, sexual orientation, age, disability, marital status, union membership or non-union membership or any other basis prohibited by applicable federal law.

Section 30.2. The standards set herein apply to the Company and its representatives and the Guild and its representatives.

ARTICLE XXXI INFORMATION

Section 31.1. The Company will, on a monthly basis, provide the Guild with: the name, address, date of hire, classification, minority status and rate of pay of each employee in the bargaining unit; the names of employees whose employment has terminated; the names of employees who have changed classification, the classification involved, the effective date of the change; the names of employees who have received an increase in pay, the type of increase, the amount of the increase, the resulting new salary, and the effective date of the increase. The information for any given month will be provided by the end of the first payroll following the end of each month. The Company shall also furnish the above information to the Guild in writing for all persons hired within ten (10) days of the applicable date of hire.

ARTICLE XXXII MISCELLANEOUS

Section 32.1. The Company shall maintain bulletin boards in all Bargaining Unit facilities for the Guild's exclusive use.

Section 32.2. Employees called to serve on a jury on days when they would otherwise be scheduled to work shall be paid the difference between jury service pay and their regular wages for a maximum of 10 days. Employees called to jury service shall notify their supervisor immediately upon notice to report for such service. An employee scheduled to start after 4 p.m. who serves a full day would be released from work.

Section 32.3. Current practices regarding company benefits and miscellaneous policies pertaining to adoption benefits, tuition reimbursement, access to discount subscriptions and classified ads shall continue to apply as provided to non-represented employees under the same terms, conditions and limitations.

Section 32.4. No employee shall be transferred to a non-represented affiliate enterprise of the Company without his or her consent. No employee may refuse a transfer to any represented affiliate enterprise within the Bay Area. There shall be no transfers without good business reason.

ARTICLE XXXIII BYLINES

Section 33.1. An employee's byline or credit line shall not be used over the employee's protest which may be for journalistic reasons only.

Section 33.2. In the event of a substantive change in material submitted by the employee, the Company will make every reasonable effort to bring the change to the employee's attention prior to publication. An employee shall not be required to and shall not write, process or prepare anything for publication in such a way as to distort any facts or to create an impression which the employee knows to be false. If a question arises as to the accuracy of printed material, the Company will continue its present practice of making every reasonable effort to discuss the matter with the employee prior to a correction or retraction being printed.

ARTICLE XXXIV TEMPORARY EMPLOYEES AND INTERNS

Section 34.1. Notwithstanding terms of Article III excluding interns and other temporary employees from the bargaining unit, such persons may perform bargaining unit work subject to the limitations as provided in this Article XXXIV.

Section 34.2 A temporary employee is a person hired for a special project or for a specified period of time, not to exceed 26 weeks. Such limit may be extended for up to an additional 26 weeks with notice to the Guild. In the case of temporary employees hired to fill in for a regular employee who is absent from work, including but not limited to intermittent leaves, military leaves or Guild leaves of extended duration, said temporary employee may be hired for the entire duration of the leave and/or absence. The Guild shall be notified in writing at the time a temporary employee is hired as to the nature of such project or the duration of such employment.

Section 34.3. Except as may be otherwise provided in this Agreement, temporary employees and interns shall not be eligible for benefits and shall not have access to the grievance and arbitration procedure.

Section 34.4. The parties recognize the value of an internship program that provides students of journalism an opportunity to work in the real world as an important step toward achieving a more rounded education than might otherwise be accomplished through classroom experiences only.

Section 34.5. An internship is an educational work experience designed for an individual student or recent graduate during which the intern performs bargaining unit work under the guidance of BANG-EB employees. The Company shall notify the Guild in advance of such hiring, said notice to include the name, college/school if applicable, expected duration of employment and expected initial work site and assignment. It is understood that the work site and assignment of interns are subject to change at the discretion of the Company.

Section 34.6. The Company shall have the right to employ up to twelve (12) interns for short-term duration, generally the length of a semester or academic quarter, but in no case more than twenty-six (26) weeks. This period may be extended for up to an additional twenty-six (26) weeks, with advance notice to the Guild.

Section 34.7. Interns shall generally be paid no less than the applicable state or federal minimum wage and reimbursed for reasonable and legitimate expenses incurred in the Company's service, regardless of whether they are compensated by the Company or by another organization. However, under circumstances where an internship or fellowship program provides academic course credit, and/or otherwise dictates compensation and other terms and conditions of the program, an internship may be unpaid. Likewise, neither this provision, nor the limits set forth

in subparagraph 34.6 are intended to preclude the Company from entering into an agreement with an academic institution where a class or group of classes submit content as part of an academic program.

ARTICLE XXXV MILITARY SERVICE

Section 35.1. The Company shall comply with all state and federal laws concerning military leave, including but not limited to the Uniform Services Employment and Re-Employment Rights Act of 1994.

Section 35.2. An employee while on an approved military leave as described above shall upon advance, written request be paid any accrued unused vacation time in one (1) lump sum or as would be paid as if on vacation. Such lump sum pay is available for military leaves extending for periods of two (2) weeks or more.

ARTICLE XXXVI OUTSIDE ACTIVITIES

Section 36.1. The parties acknowledge that the Company must maintain the public trust and the highest degree of integrity with a strong reputation for fairness and impartiality in reporting the news and its business operations. In order to accomplish this, there are certain safeguards that must apply with respect to outside employment and activities to the Company employees. Employees must first obtain written approval of their division director prior to accepting outside employment. Limitations on outside employment include, but are not limited to: a) Employment that conflicts with your work schedule, duties and responsibilities; b) Employment that creates a conflict of interest or is incompatible with your employment with the Company; c) Employment that impairs or has a detrimental effect on your work; d) Employment that requires you to conduct your work or related activities on the Company's property during your working hours or using the Company's facilities or equipment; or e) Employment that competes with the business or the interests of the Company.

Section 36.2. The Company encourages its employees to be involved in community organizations. However, where such involvements affect or impact, or may affect or impact, the reputation, integrity or appearance of fairness of the Company, written approval of the Executive Editor must be obtained. Employees are encouraged to discuss such involvements in outside activities with their editor/supervisor ahead of time, in order to avoid conflicts in the future.

Section 36.3. To further reduce even the appearance of a conflict of interest, employees are encouraged to avoid positions that entail seeking publicity for their group or community organization. Recognizing that it is not possible to foresee all conflicts that could emerge, employees are expected to be alert to involvement that may affect or impact the reputation, integrity or appearance of fairness with the Company, and, when they surface, bring them to the attention of their editor/supervisor.

Section 36.4. The parties acknowledge and agree that maintaining and enforcing the Editorial Ethics Policy, which the Company may revise and update from time to time, is an “essential enterprise related interest” of the Company and that all editorial employees shall sign an acknowledgment that they have received and understand the Editorial Ethics Policy.

**ARTICLE XXXVII
DISCLOSURE AND AUTHENTICATION**

Section 37.1. The Company will continue its present policy of not requiring an employee to yield custody or make disclosure of information, notes, documents, films, or other materials to any person other than the editor or his representative except as required by law. The editor shall notify the employee concerned of any demand on the editor for such surrender or disclosure of authentication. However the decision regarding disclosure or surrender of such materials remains at the discretion of the Company.

Section 37.2. Should any employee be proceeded against under law because of refusal to make disclosure or authenticate such materials, the Company shall continue its present policy of providing assistance including legal fees, payment of damages, and reimbursement for any loss of pay provided that the employee was acting in the scope of this agency.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this 29th day of July, 2020.

**MEMORANDUM OF AGREEMENT
(Consolidation of Newsrooms)**

1. The Guild acknowledges that Bay Area News Group, including the Bay Area News Group East Bay, intends to consolidate its editorial and news gathering functions. This consolidation may involve the relocation of Company employees to other Bay Area News Group facilities, the relocation of non-represented employees of other Bay Area News Group entities to the Company's facilities, the creation of consolidated editorial departments and teams consisting of represented and non-represented employees that may report to Bay Area News Group East Bay managers or managers from other Bay Area News Group entities, and joint training and other consolidated initiatives (hereinafter collectively referred to as "Consolidated Editorial Efforts").

2. The Company may direct its Guild represented editorial employees to participate in Consolidated Editorial Efforts, alone or in combination with employees from other Bay Area News Group entities, for the purpose of generating editorial and other content, and facilitating, processing, or supporting editorial and news gathering functions for the Bay Area News Group East Bay and/or other Bay Area News Group entities. Notwithstanding anything in this Agreement or any asserted practices to the contrary, such direction and participation in Consolidated Editorial Efforts by Bay Area News Group East Bay employees shall not be deemed an assignment of or grant of jurisdiction to the Guild over any such work. Such direction and participation in Consolidated Editorial Efforts by Bay Area News Group East Bay employees shall not be used by the Guild as evidence, directly or indirectly, in any proceeding of any kind or nature, including without limitation, any arbitration or NLRB proceeding, to advance any claim, including claims asserting (a) jurisdiction over such work or job functions and/or representational rights over any non-represented employees of other Bay Area News Group entities, (b) accretion, single employer, or alter ego status with respect to the Company and any other Bay Area News Group entity, including but not limited to Bay Area News Group East Bay, whether such claims are brought during the term of or after the expiration of any collective bargaining agreement between the Bay Area News Group East Bay and the Guild.

3. Nothing in this Agreement grants to, assigns to or in any way gives to the Guild or recognizes the Guild as having any jurisdiction over work or job functions performed by employees of other Bay Area News Group entities or representational rights over employees of other Bay Area News Group entities. The consolidation of the Bay Area News Group editorial and news gathering functions, and/or the participation of Bay Area News Group East Bay employees in Consolidated Editorial Efforts, along with this Agreement itself, shall not be used by the Guild as evidence, directly or indirectly, in any proceeding of any kind or nature, including without limitation, any arbitration or NLRB proceeding, to advance any claim, including claims asserting (a) jurisdiction over such work or job functions and/or representational rights over any non-represented employees of other Bay Area News Group entities, (b) accretion, single employer, or alter ego status with respect to the Company and any other Bay Area News Group entity, including but not limited to Bay Area News Group East Bay, whether such claims are brought during the term of or after the expiration of any collective bargaining agreement between the Bay Area News Group East Bay and the Guild.

4. Nothing herein shall prevent either party from asserting any and all rights after the expiration of this Agreement and its successor agreement, or for a period of four years, whichever is greater ("the MOA Term"). However, in asserting those rights, neither party will rely on evidence of events taking place during the MOA Term, but will instead rely on evidence of events taking place after the expiration of the MOA Term.

5. Notwithstanding anything contained herein, the Company agrees that it will not involuntarily transfer or permanently assign any Bay Area News Group East Bay bargaining unit employee to another Bay Area News Group entity as a result of this consolidation.
